Case No. 8:03-cr-77-T-30TBM

SAMI AMIN AL-ARIAN  
SAMEEH HAMMOUDEH

**ORDER**

This cause came on for consideration without oral argument upon:

1. Defendant Sami Al-Arian's Response to proposed juror questionnaire (Dkt. #488);
2. Defendant Hatem Fariz's Response to proposed juror questionnaire (Dkt. #489);
3. Defendant Ghassan Ballut's Renewed Objection to anonymous jury (Dkt. #491).

This Court has considered the objections to the proposed juror questionnaire that this Court provided to the parties on January 21, 2004. This Court defers the question of whether an anonymous jury will be empaneled in this matter until a time closer to trial. Further, this Court overrules in part and sustains in part the other objections to the proposed juror questionnaire. The Court has incorporated those changes suggested by the objections it has sustained into a new proposed juror questionnaire, which is attached as Exhibit "A" to this

562

Order. Without waiving any previous argument or objection, this Court requests the parties file any additional or new objections that they may have to the new proposed juror questionnaire within thirty (30) days of the date of this Order.

**DONE and ORDERED** in Tampa, Florida on this 24 day of June, 2004.

**JUROR QUESTIONNAIRE**

**General Instructions:**

The questions on this form are asked to help the Court and the attorneys learn about your views on issues that may be related to this case. Its use will expedite the process of selecting a jury. The questions are not meant to invade your privacy, but to help select the best possible jury for this case. If there is any reason why you might not be able to give both sides a fair trial in this case, it is important to say so. Please answer each question as fully as you can. Your complete honesty is essential. If a question does not apply to you in any way, write N/A (Not Applicable), rather than leave the question blank. If you feel the answer is too personal, please say so in the space provided. You will have the opportunity to discuss your answer privately.

Please keep in mind that there are no right or wrong answers, only complete and incomplete answers. The fact that a particular question is asked does not imply that the subject is an issue in the case. If you do not understand a question, need more space for your response, or wish to make further comments about any question, please use the extra sheet attached to the back of the questionnaire. You are instructed not to discuss this case or questionnaire with anyone, including your family or fellow jurors. It is important that your answers be your own.

The case for which you are being questioned is United States of America v. Sami Al-Arian, et al. In this case there are four defendants against whom the government has brought charges of having been part of a conspiracy to commit various acts of racketeering, provide material support to or for the benefit of terrorists, and commit certain federal crimes including the conspiracy to commit the murder of persons outside the United States. Each

of the accused is entitled to separate consideration and the case against each person must be decided individually.

An indictment is merely an accusation. It is proof of nothing. You may draw no inference against any defendant from the fact that he has been indicted. Each defendant has pleaded “not guilty” to each of the charges against him and he is presumed innocent. A defendant does not have to prove anything. The government bears the burden of proving the guilt of each defendant beyond a reasonable doubt.

Because there has been a high degree of publicity about this case and some of its participants, the court has directed that this juror questionnaire be sent to you. Neither your identity nor your answers will be released to the general public or the media, though you may be questioned about individual answers during the jury selection process.

Thank you for your cooperation.

**JUROR QUESTIONNAIRE**

**(Please PRINT your answers in INK)**

**Hardship question:**

The Court and the parties estimate that the trial in this case will last approximately six (6) months. Jurors will be paid an attendance fee of \$40.00 per day for the first thirty (30) days of trial, and \$50.00 per day thereafter. Lunch will be provided daily, and your transportation costs will be reimbursed.

Jury service is one of the highest duties and privileges of a citizen. The participation of people like yourself is essential to the proper administration of justice. The Court recognizes that not everyone can serve on a case of this length. However, mere inconvenience or the usual financial hardships of jury service will not be enough to excuse you. You must show that service in this case would cause an unacceptable amount of personal hardship.

Would you have a serious hardship if chosen for this case?
